

INTENT TO MINE

Newberry Sand Inc., has applied to the S.C. Department of Health and Environmental Control (SCDHEC) for a permit to mine sand in South Carolina. A proposed reclamation plan has been submitted indicating the site will be restored to grassland after mining. The proposed mine is located in Fairfield County approximately 6 miles west-northwest of Monticello, South Carolina. Specifically the site is located a quarter of a mile south-southeast of the SC Primary Highway 34 and the Broad River. The site is east and adjacent to the Broad River. Comments or inquiries concerning this application should be sent to the attention of Alex Fulmer, SCDHEC, Division of Mining and Solid Waste Management, Bureau of Land and Waste Management, 2600 Bull Street, Columbia, South Carolina, 29201, phone (803) 896-4265. Comments must be received by the SCDHEC before 5:00 p.m. on December 20, 2007. Any individuals with disabilities or special needs who want to review the file should contact the Department at least one week prior to the end of the comment period to discuss any special services required.
